

**General Social Care Council - Four Countries Programme
Analyst Support**

Date: 2005

Client: General Social Care Council, UK

Country / Region: United Kingdom

CEPA advised the General Social Care Council on its assessment of bids to develop an IT system to register social care workers.

As part of its mandate, CEPA evaluated the value for money of tenders and provided recommendations on financial issues to be addressed at the Best and Final Offer (BAFO) bidding stage. CEPA also reviewed and updated the business plan supporting the procurement which formed part of the Gateway Review.
